

Dear grammie

Pappy I K and I went
up in the Cook lot to saw
wood this afternoon.

I was putting in wood
yesterday and dammed my
little finger against the
house and the fingernail
is going to come off.

I do not have to go to school this week.
Miss Fall has gone away for the winter.
The Kenners have moved back to town.
I am sending you a little book that I made at
school.

Love from Stuart
